**Our list grows as the needs of our community youth continue to grow.**

**Thanks to recent generous donation, you will see that we have been able to check off several items on our "wish list". The Jeremiah Center is truly fortunate to have such wonderful support — THANK YOU!**

**We can always use donations of cash for counseling hours. Most of the kids we see are not able to pay much, but the overhead stays the same. So you can always make a donation to "counseling services" to help cover the hours of counseling done for those who would not have it unless we were here.**
